

West Michigan OsteoScholars

Program Description

Do you want to be a doctor, but aren't sure where to start?

There are two types of fully licensed physicians in the U.S. – osteopathic physicians (D.O.s) and allopathic physicians (M.D.s). You can find D.O.s in many specialties from family practice to surgery. Osteopathic physicians are known for their “whole person” approach to care that helps patients achieve better health.

West Michigan OsteoScholars brings together top local resources to help students of all backgrounds to understand, prepare for, and navigate the path to becoming a physician. It is an exclusive partnership between Michigan State University Extension and the Osteopathic Foundation of West Michigan.

Meetings are held just once a month and you'll be introduced to area physician mentors, resume-building experiences, and you can even try your hand at medical procedures at the Mercy Regional Simulation Lab.

REQUIREMENTS

- Open to 2019-2020 high school sophomores, juniors, and seniors
- Minimum 3.0 GPA
- Must attend meetings at 6:30pm on the third Tuesday of each month at Mercy's Hackley Campus.
- **Applications due Friday, May 31, 2019.**

This program is the first step on a path of exclusive opportunities that may include a day trip to visit MSU College of Osteopathic Medicine, a scholarship to MSU's OsteoCHAMPS summer program*, a \$500 college scholarship to any college, volunteering and job shadowing, preferred medical school admission, and many valuable college and professional connections.

The program runs from September through May. The kick off session will be a daytrip to MSU on Friday, September 27. Most sessions are held on the third Tuesday of each month at 6:30pm on Mercy's Hackley Campus.

OsteoScholars is provided by the generosity of donors, so there is no charge to students. Enrollment is a privilege so consistent attendance and full participation is expected from each student.

**Only Sophomores and Juniors are eligible for MSU's OsteoCHAMPS program.*

West Michigan OsteoScholars: Student Application

STUDENT INFORMATION

_____		_____		_____	
Last Name	First Name	Middle Initial	Preferred Name		
_____		_____		_____	
Street Address	City	State	Zip	Date of Birth
